Do You Remember ...

The Sturgeon River, St. Albert 34 years ago, shown in a photographic reproduction of a painting by Robert Campbell. In the background you can see the wooden bridge (left centre) which was replaced by the steel bridge on Pilon Street. The building just in front of the bridge is the former butcher store, presently, being used as a carpenter shop. To the right of the bridge is the grocery store in the corner of Pilon St. and Mission Ave., also still in use. In the background you can see the wonderful wooded area which is now the school yards on Mission Ave. The artist was standing on the site of the present bridge on Highway 112 to paint this picture. At this time (1930), the Sturgeon River was a paradise for sports fishermen and a real recreation centre for Edmonton and District.

Council Meeting, August 13, 1964.

St. Albert Curling Rink During this
meeting, Mr. Brownlee, Town Solicitor,
advised Council that he had been in
touch with the Deputy Minister of Munic-
ipal Affairs regarding the Notice of
Motion submitted by Councillor Fowler,
and in particular, to condition (3) of
the resolution, requiring the Provinces
approval of the use of the \$95,000.00
debenture by-law against the purchase
price of \$106,000.00. It was Mr. Brown-

lee's opinion that the Provincial Govern-
ment did not have the Statutory author-
ity to give the approval requested. Mr.
Brownlee felt that there are two other
ways of dealing with the situation. One,
by seeking a Private Bill to approve
the purchase by the Town of the Curling
Rink, and two, by taking the matter to
the electors by way of a plebiscite. He
also suggested that a meeting between
the Solicitors of the parties concerned
be arranged to see if a suitable course
of action can be found which would give
some assurance of success before being
presented to Council.

Council pointed out to Mr. Brownlee that
the Government had requested the Town to
make every effort to resolve this prob-
lem, and as such, should be prepared to
approve the request of the Resolution.
It was also stated that some arrangement
must be made soon as the Curling season
is almost upon us.

In regards to this Councillor Wheatling
moved "that Mr. Brownlee be instructed
to contact the Solicitors for St. Albert
Curling Rink Ltd., and the Bank of Nova

Scotia to arrange for a meeting to discuss the matter to see if a suggested final solution can be arrived at for presentation to Council? Carried.

It was noted that Councillor Skrobot was opposed to this motion. Mayor Veness then thanked Mr. Brownlee for his attendance at the meeting, and the Town's Solicitor took his leave of the meeting.

Sisters of Charity - New Nursing Home
Mr. R. McGee was now present to represent the Sisters of Charity in connection with the excavation of the new nursing home and the provision of water and sewer to four small dwellings on the adjacent property. Mr. McGee explained that he had suggested to the Sisters that they approach the Town to see if advantage could be taken of the permanent installation of water and sewer services in that area, rather than a temporary line to serve the four dwellings for the present time. This being a technical matter, it was suggested that the opinion of the Consulting Engineers be sought.

Councillor Wheatling made a motion that this matter be referred to our Consulting Engineers for advice on the matter as to the location of permanent services in this area and if it will be feasible for the residents to take advantage of these services. The letter from the Sisters to be acknowledged advising them of Council's action. Carried.

Council Meeting August 24

R.C.M.P. Report St. Albert, with a population of 9,000, has only a 5 man RCMP Detachment. The North American standard is 1 man to each 1,000 population. Many towns in Canada work on this standard. Sgt. Lyndon told Council that they need at least one more man to fulfill their tasks more efficiently. Councillor Wheatling moved that the RCMP should have an additional man as soon as possible, and if that man is not available directly, a temporary man should be appointed.

Building Inspector's Report Up to the first of August there have been 50 single family dwelling permits issued. Broken down, it appears as follows: Jan. - 18, Feb. 8, Mar. 3, Apr. 8, May 7, June 4, July 2.

Dog Control Mr. Gee, Senior Administrator of the Town of St. Albert, reported to Council that in his discussion with the S.P.C.A. regarding better dog control during the night, it was suggested that a check be made 2 evenings weekly. This will cost the town an additional \$50. Councillor Wheatling moved to accept this offer of the S.P.C.A., and his motion was unanimously carried.

Local Authorities Board Mayor Veness complained that we have to wait too long for approvals from the L.A.B., which holds up our work in town. "Maybe," he said, "now is the time to apply for a release from this kind of supervision where decisions last sometimes more than 6 months." He called it a very unfair state of affairs and a serious situation. Mayor Veness moved to have a special meeting this Wednesday with the follow-

Forthcoming Election Mrs. Williams was appointed Returning Officer for the October election, with Mrs. Dobie, Mrs. Shultz and Mrs. Donovan as Deputy Returning Officers. The Polling Stations will be the same as last year. Nomination Day will be Wednesday, September 23, and the advance poll will be Friday, October 9th.

Staging of Development Mayor Veness was very much surprised to hear that the Staging of Development Program worked out for the Town by the Town's consulting engineers, Walker and Newby, was never approved by Council. "Who is responsible for this? The people of St. Albert have the right to know." The Mayor moved that the minutes of the Council meetings and the Technical Advisory Committee be checked to find out who was responsible. This motion was carried.

Postal Service Mayor Veness presented a letter to Council which he received from Marcel Lambert, M.P. for Edmonton West & St. Albert, regarding postal services in St. Albert. (See editorial "Just 500 Houses") Councillor Dave Stewart made the following motion: "that Mr. Lambert be advised by the Mayor that it is the opinion of Council that the Postmaster General should be advised that since he has conceded in

The Garber family of St. Albert, are shown in the "Skyline Promenade", an observation room on the 31st floor of the New York Life Insurance Company Building in New York City, which they visited recently. The Garbers, in the city for sightseeing at the World's Fair, toured the New York Life skyscraper while there at the invitation of the insurance firm

In the front row, kneeling, are their sons, left to right: Alvin, Evan, Allan and David, daughter Janet, and son Carl. Mr. Garber is principal of the Leo Nickerson Elementary School in St. Albert. Besides the nine children who accompanied him and his wife, Mr. Garber has another son

and daughter, both of whom are married and living in the United States. The Garbers planned to visit with them during their trip to America. In this photo, the Garber children are holding a souvenir photo of the Manhattan Skyline presented to them by New York Life. The Empire State Building, the world's tallest, is visible in the distance, while a mural of the New York Life Building can be seen to the left.

COME-LISTEN-DECIDE

Each of us, as individuals, are responsible for the kind of government and the policy of our town. The coming election in October will be a very important one for St. Albert. Not only is there a vacancy for the Mayor's chair, but also two or more Councillors have to be elected for the new session. If we like our community we should at least know what is coming up for the next election. To find this out we strongly advise you to attend tonight's special public Council meeting starting at 7 p.m. in the Town Hall.

Several money by-laws will be prepared for plebiscite in the October election. For many years now, we have talked about the Curling Rink, swimming pool, arena, recreation, recreation director, form of government, etc., etc., and we have the feeling that Council will bring most of these matters before us in a plebiscite in the October elections.

If we wish to vote with authority and knowledge, it would be advisable to know more about the background of all these important matters for the sake and future of our town. Therefore, we urge all our citizens once again to attend this special meeting tonight so that our votes, either yes or no, are based on the facts of each case. The strong historical freedom of thought of St. Albert's citizens should continue in this coming election. We, as your local news informer, have no intention of promoting any of these urgent money by-laws, although everybody knows from the past our ideas. We prefer that you make your own independent decision which you can easily base on your experience by attending tonight's public council meeting. We sincerely hope that many of our good citizens will take the time off for this important community affair, and we are certain that our Council will be very pleased to see all of you there.

JUST 500 HOUSES ...

Marcel Lambert, M.P. for Edmonton West & St. Albert, wrote a letter to our Mayor M. Veress, regarding postal service in St. Albert. Mr. Lambert enclosed a copy of a letter he received from the Postmaster General, the Hon. John R. Nicholson, in which he states that at the present the postal service in St. Albert is inadequate and that it will be necessary to consider the following principle features of service.

(1) Door-to-door delivery of mail will be provided in St. Albert by letter carriers operating from the present St. Albert post office building.

(2) When Letter Carrier Service is inaugurated, the usual ancillary services will also be provided, including Special Delivery services and the delivery of large parcels by Motor Vehicle. Street letter boxes will be located throughout the area to enable the residents to post outgoing mail.

(3) The present St. Albert Post Office will be made a postal station of the Edmonton Post Office, under the name "St. Albert Postal Station."

(4) Incoming mail will continue to be addressed to St. Albert, without any references to Edmonton in the address.

(5) Outgoing mail will be date-stamped at the Edmonton Post Office and the postmark will read "Edmonton, Alberta."

It is realized that St. Albert is an old community and an independent municipality and that there could be some objections to a proposal of this kind if it meant a loss of postal identity on the closing of the local post office building."

"DEAL WITH CONFIDENCE"

presented by : Jack A. Manarey

Mr. Lambert in his reply to the above mentioned letter, suggests very strongly that before any definite decision is made, the Town Council and the people of St. Albert should be consulted regarding their feelings in this matter. "Notwithstanding what might be certain advantages which may be thought to accrue at this time I must point out that historically St. Albert attaches a great deal of importance to its independent identification. The town has recently celebrated its 103rd anniversary and I know that there will be objection to the disappearance of an independent identification. To what degree there may be objection I cannot say but I would earnestly advise you to carefully examine this problem by having an inquiry made in the area for the reaction," said Mr. Lambert.

(Editor's Note) Letter carrier delivery service in St. Albert is possible only if there are at least 2,500 residences and/or business premises in a compact well built area. At the moment St. Albert has only about 2,000 such points of call, 500 short to be eligible for this service. But being 500 short doesn't mean that St. Albert should lose its postal identity. It is more than enough that we lost our telephone identity and administration. It would be a shame to have the oldest and biggest town in Alberta become just a branch of the Edmonton Post Office, with our letters stamped Edmonton. We are all in favour of letter carrier delivery and we hope to have this as soon as possible, but to give up our postal identity as a Town is too much for us to swallow. The odd thing in the proposal of the Postmaster General is that a delivery for St. Albert from Edmonton would cost the government more than to have a delivery service right in our town from our own Post Office. Sorting the letters and putting them in the boxes has to be done anyway, so therefore would be much less expensive than using motorcycles, cars and trucks between Edmonton and St. Albert.

We wholeheartedly support Mr. Lambert's objections, and we are also pleased that our Council had the same feelings and expressed them in a motion made by Councillor Stewart (See From the Town Brass). In a few years we will have the necessary 2,500 points of delivery and we still will remain as an independent postal identity, honoring our forefathers who certainly didn't intend to become a part of Edmonton in this way. Let's keep our freedom and independence stably anchored in our 103 years of history of which all of us should be proud. No deal of 500 houses for losing our identity, but instead a progressive development for our town, which will assure us that these 500 houses will be there in no time.

Annual Pilgrimage

More than 5,000 attended the Annual Pilgrimage to Our Lady of Lourdes during an entire day of Prayer on August 16th.

From early morning low mass, followed by the outdoor ceremonies, the faithful came joyfully and hopefully, asking many blessings of the Mother of God. At 11 o'clock His Excellency, Monseigneur Anthony Jordan, Archbishop of Edmonton, celebrated High Mass at the Grotto.

Reverend Father Lynch gave the sermon.

At 2 p.m. the procession, blessing of the sick and Benediction took place.

Reverend Father A. Bouchard addressed the Pilgrims. Splendid co-operation was the order of this wonderful day, thanks to all who helped in every way.

You are cordially invited to attend our Parish Picnic. An interesting program is being organized - sports under the direction of the Knights of Columbus, something to suit all ages! Come as a family and enjoy a day with your friends.

The Ladies of the C.W.L. are preparing to serve you a delicious Hot Chicken Supper in the basement of the church.

There will be two sittings, one at 4 and the other at 6 p.m. No need to pack a lunch at such reasonable prices of 50¢ for children of 12 and under, adults \$1.50 per person. Mark the date on your calendar now - August 30 - and plan to attend with your family.

Mr. Bernard Veness of this Parish, son of Mayor Wm. Veness and Mrs. Veness, left recently for Rosemont, Montreal, Quebec, where he will take a year's course with the Oblate Brothers. Bernard has been seriously considering this as his vocation for many years, and his many friends wish to congratulate him and wish him success.

ance with the decision of the Official Board which met on July 28. During the month of June a survey was made to determine the hour most convenient for those who attend the services. The preference slips, collected at three Sunday services, provided the basis for the Board's decision. September 6th marks the return of the Rev. Dr. Ed. Schwarz from his holidays to the pulpit in St. Albert United Church. During his absence in August, the pulpit has been filled by the Rev. James Joly of the Baptist Church. Each summer for the past three years, the United Church congregation and the Baptist congregation have worshipped together with each congregation providing the pulpit supply for one of the two summer months.

PRESBYTERIAN CHURCH

PRESBYTERIAN MINISTER ARRIVES THIS WEEK
On June 18th, the Edmonton Presbytery recommended that an appointment of a minister for St. Albert, as a congregation, and Jasper Place as a probable new work, be made by the General Board of Missions of the Presbyterian Church. This recommendation was accepted by the Presbytery of Edmonton and duly forwarded to Toronto. On July 13th the Reverend W. D. Jarvis, presently of Merigomish, Nova Scotia, was appointed. Mr. Jarvis and his family will arrive in St. Albert on August 28, when they will take up residence in the newly purchased manse at 55 Gladstone Cres.

SUPERVISORS REPORT ON PLAYGROUND ACTIVITIES

Concentration has been mainly on games, sports, arts and crafts. The leaders usually start the day with sports and games to arouse the children's interest. Such special events as rodeos and peanut carnivals provide for a greater variety (and for more variations) of games. Arts and Crafts are held in three small sessions or two large sessions per week. The children love to express themselves and to use their imagination. Storytelling and drama sessions are conducted whenever there are a fair number of small children.

Some of the special events which have been held are: Opening Day - approximately 1,000 attended. Rodeos, Peanut Carnivals, Hikes, and a Pet Show.
